*Control Side: Select control side for the front shade; back shade will default to the opposite side.

**Bottom Treatment Options cannot be mixed in the Dual Roller Shade. For example, if the "FWS (Faux Wood Slat)" option is selected, it must be used on both the front shade and the back shade. However, a different color of the same option may be selected for each shade.

***Hold-Down Brackets are only available with the "SBB (Standard Bottom Bar)" and are only available on the Back Shade.
