- 1" and 2" slat choices fit virtually all window sizes
- Cordless Lift & Lock™ option on 1" Deluxe, 1" Traditional and 2" Macro blinds
- Limited Lifetime Warranty ensures customer satisfaction

design simplified™

ALUMINUM BLINDS BY ALTA

FEATURES	BENEFITS
1" DELUXE BLINDS	
Collection	Premium choice with a step up in style.
Slats	.008 gauge slats for added durability; features LightsOut room-darkening slats or optional traditional routes.
Control Option 	Cordless Lift & Lock™ option; press and hold a button on the bottomrail to raise and lower the blind; eliminates lift cord control for enhanced child safety.
Valance	Beveled rail provides a seamless, built-in valance appearance.
1" TRADITIONAL BLINDS	
Collection	Broadest selection of colors and slat styles for wider appeal.
Slats	Choice of .006 or .008 gauge slats.
Control Option 	Cordless Lift & Lock option; press and hold a button on the bottomrail to raise and lower the blind; eliminates lift cord control for enhanced child safety.
Valance	2-slat channel valance covers the headrail and brackets for a finished look.
1" VALUE/BASIC BLINDS	
Collection	Most economical choice in basic color palette.
Slats	.006 gauge slats.
Valance	2-slat clip valance hides the headrail and brackets.
2" MACRO BLINDS	
Collection	Handsome size for larger windows and a more traditional look.
Slats	.008 gauge slats with choice of standard route holes or optional LightsOut feature.
Control Option 	Cordless Lift & Lock option; press and hold a button on the bottomrail to raise and lower the blind; eliminates lift cord control for enhanced child safety.
Valance	Channel valance covers the headrail and brackets for a finished look.
HARDWARE	
Standard Controls	Tilt wand/lift cord control comes standard on all aluminum blind selections.
2- or 3-on-One Headrail	Multiple blinds on one rail cover wide expanses or side-by-side windows.
Lockseam Bottomrail	Engineered for added durability; resists bowing.
Brackets	Deluxe blinds feature convenient snap-in brackets; all others have color-coordinated box brackets for easy installation.

Certified Best for Kids when used with wand tilt

LIMITED LIFETIME WARRANTY on all Aluminum Blinds by Alta ensures customer satisfaction.
