ABOUT YOUR PROGRAM This is a customized program. If your customer requires an alteration to the standard specifications, please call our Customer Service Department. Special quotes are available upon request. Items manufactured outside of the standard specifications may take additional manufacturing time and cancel warranty. We reserve the right to refuse any special request. CANCELLATION OF ORDERS Once production has begun (usually within hours after order is received), the order CANNOT be cancelled. If the order has NOT BEEN STARTED, request a "Cancellation Number" and keep that number on file. SPECIAL INSTRUCTIONS:								Use metal tape when measuring – not cloth. Measure to top of carpet pile – do not press down. 1 All "Inside" installations need deductions. Factory will deduct – width 1/4", height 3/8". 2 CONTROLS: Tilting Chain and Opening Cord controls must be on the same side. These controls can be placed either on the left or right side. 3 The beaded chain tilting control can be metal or plastic. Metal is standard. Vanes Stack Position: Left Right Split* Center* *Split & Center position not available for wand control. 4 FREE HANGING: Vane which is not inserted into a Clear Magic Insert Groover. 5 INSERTED: Fabric vane inserted into a Clear Magic Insert Groover. See price list for patterns available with this option.
