DECORATIVE FABRICS

ROOM DARKENING & BLACKOUT FABRICS

Room Darkening fabrics dramatically reduce light and provide privacy against most direct light though some spots may let light through. Images, shapes and people are not discernible.

Blackout fabrics provide the ultimate in privacy and light control; making them perfect for bedrooms, nurseries, or media rooms.

Pair your blackout fabric with side channels or privacy light block for additional light control.

TOUCHLIFT CORDLESS

Lower the shade by gently pulling the bottomrail down. Raise the shade gently and automatically by giving the bottomrail a slight tug and release.
